TO BENEFIT

PEDIATRIC HYDROCEPHALUS
FOUNDATION, INC.

www.hydrocephaluskids.org

And other charitable organizations

Monday, May 5th, 2014

540 S Hope Chapel Road
Jackson, NJ 08725

**PEDIATRIC HYDROCEPHALUS
FOUNDATION, INC.**

www.hydrocephaluskids.org

The Pediatric Hydrocephalus Foundation, Inc. is committed to bringing increased awareness and research on the diagnosis and treatment of Hydrocephalus to the forefront of public attention, which is a priority for everyone touched by this condition.

- Hydrocephalus is a lifelong condition, affecting over one million Americans from newborn to seniors.
- It is a condition in which the primary characteristics is excessive accumulation of fluid in the brain.
- Hydrocephalus is believed to occur in about 1 per 500 births.
- An average of 40,000 shunt operations are performed each year in this country .
- Lack of advancements in treatment have left many people with hydrocephalus unable to lead full and productive lives.
- There is no known cure for this condition.

The mission of the PHF, Inc. is to educate the community by raising the level of awareness about this incurable brain conditions.

The PHF, Inc. provides support to the families, friends and children who are diagnosed with Hydrocephalus. It advocates on behalf of the members of the Hydrocephalus community and works with policy makers at the State and Federal level to raise awareness and push for more research and support in the fight against Hydrocephalus.

The PHF, Inc. is a non-profit 501©(3)charitable organization.
